	General notes:	
1.	The present General Terms and Conditions are prepared and approved by "Demir Kyrgyz International Bank" CJSC for all banking products, provided to its customers. The terms and conditions include commissions, value dates and other conditions applicable for all types of banking services and products provided by DKIB to the customers.	
2		
2.	All commissions are indicated without taxes. Taxes are charged by the Bank additionally as per the current Tax Code of KR.	
3.	Commissions indicated in foreign currency shall be charged in national currency at the rate of the National Bank of KR on the date of service provision.	
4.	CJSC "Demir Kyrgyz International Bank" however has full right and authority to change Terms and Conditions in whole or in some of the part without prior notice to the customers at any time by placing such changes in the	
	operational hall or in the Web-site of the Bank - www.demirbank.kg	
5.	Information on current applicable Terms and Conditions of DKIB is available at the customer's first demand.	
6.	Terms and conditions for collections, documentary credits, guarantees for individuals are similar to the terms and conditions for this type of servicies, applicable to legal entities and private entrepreneurs.	
7.	Terms and conditions for payment cards servicing, interest rates and other conditions for cash loans, interest rates for demand and time deposits both in KGS and other (foreign) currencies, tariffs and conditions for campus project (including campus cards issuance and servicing), "Receiving digital notifications" service will be set by the Bank in separate addendums and revised time to time according to the market conditions. Tariffs and conditions of "Receiving digital notifications" service will be valid starting from the service will be implemented/developmed	
8.	The Bank has right to establish commissions and fees different from set above, for those customers, whose volume and transactions justify so, or depending on other factors, as for instance, changes of the market conditions.
